

Gamma Ray  
Beck

Intro: **E D G A**

**D G** **Bm**  
If I could hold, hold out for now  
**D G** **Bm**  
With these icecaps melting down  
**D G** **Bm**  
With the transistor sound  
**D G** **Bm**  
And my Chevrolet terraplane  
**E**  
Going around around around

**D G A E**  
Come on little gamma ray  
**D G A E**  
Standing in a hurricane

**D G A**  
Your brains are bored like a refugee from a house that s burning  
**D G A**  
And the heat wave s calling your name

**Bm - E - G - D - G** **Bm**  
She s got a cactus crown  
**D G** **Bm**  
With a dot dot dot on her brow  
**D G** **Bm**  
And she speaks inside a cloud  
**D G** **Bm** **E**  
With her countenance turning around around around around around

**D G A E**  
Come on little gamma ray  
**D G A E**  
Standing in a hurricane

**D**  
I m pulling out thorns  
**G A** **E**  
Smokestack lightning out my window

**G**

**E****E**

He starts picking here, but I didn't really have time to figure it all out. I

Your body s bored
