Makeshift scene mildly insulting
You really said it when you said I was just a scavenger
There s a headbanging corpse, just take it to the source
Take the plug, unplugged, plug it up, rip the plug right outta the wall

That s why
I got no mind
I got no mind
I got no mind
That s why
```

I got no mind
I got no mind
I got no mind

Pump up the volume
Pump up the volume
Pump up the volume
Pump up the volume

thanks,
