

Loser

Beck

A fairly simple song, nonetheless, there was a request so:

It s in drop D, so, do all that.

The intro/verse part is played with a slide and goes as follows

```
e-----  
B-----  
G-----  
D---0-0--12-0-12---12-----0-0--12-0-12---12-----  
A---0-0--12-0-12---12-----0-0--12-0-12---12-----  
D---0-0--12-0-12---12-----0-0--12-0-12---12-----
```

That continues over and over through out.

The other part, that is played over the slide part is as follows:

```
e-----  
B-----7-7-7-5-5-----7-7-7-8-8-----  
G---7-7-9-7-----7-7-9-7-----
```

And that is also repeated over and over at different parts.
