Hit the bass-string first

Intro: **G**

G **C** **G**
You came, you went, my mind it got a dent
D
I couldn't make my rent, cause all my cash was lent
G **C** **G**
This town is filled, with thousand-dollar-bills
D
Lamenated songs, contaminaded lawns
C **G**
Well we ate about fifteen times a day
C **G**
Staring through a bag of frito-lay
C **G**
And I play with the fire in the stove
A **C** **G**
When my eyes peel out and my fingertips get cold
B
Well it's real and it's fake
G
And it's flaming like a steak
B
And she's putting out my face
G
With the rake
A **C** **G** **D**
Oh honey you knew, that you were my one and only blur
G **C** **G**
Unglued, depressed, the meatloaf in my chest
D
Personality test, I failed with the best
G
And I stopped and I stormed
C **G**
And I past out in your dorm

Then you hustled me outside
D
I couldn't catch a ride
C **G**
But the subwaytrains speak to me now
C **G**

I m browsing through the supermarket town

C

G

And the girls don t talk when I m around

A

C

G

And I m feeling bad even though nothing s wrong
