Pretty easy song... Don t know why there isn t already a tab for it, actually. The Eb s in the song, if you listen carefully, are really quick and are used more as a jump between the Bb and C# chords.
If you don t feel like dealing with the barre chords, slap a capo on the first fret and the chords are A D and C. However, it sounds best if you play the C like X32013.

Intro: Bb (Eb) C# (Eb) Bb (Eb) C# (Eb) Bb (Eb)

C#
Looking for a ladder
In the stratosphere
So I can be happy
 Eb Bb
Let my bones melt away
Eb C#
 Stranded on a plane
That was circlin round
I carry my heart
 Eb Bb
Like a soldier with a hand grenade
C#
Walking down the aisle
Of the supermarket
Looking for the things for
 Eb Bb
To carry my senses away
Eb C#
 Listen to a voice
On the telephone
Somebody s calling
 Eb Bb
Somebody on the way

Eb C#

Looking for a home
In the magazine page
Wages in my pocket

Eb Bb

Gonna buy me anything I need

Eb C#

Searching for bait
Battery light
Wash me away

Eb Bb

Gaping at the oceans below

C#

I m not scared
Cause there s nobody there
Mind is awake

Eb Bb

Anything could lead me astray

Eb C#

Listen to the voice
On the radio wave
Somebody needs you
Somebody who is

Eb Bb

On their way

Eb C#

Ah-aaaaahhhhhh

Eb Bb

Ah-ooohhhhhhhh

That s that. Also: When the guitar comes in half-way through
the song, you ll hear a second guitar playing

b|--1---1---1---1--

g|----3---3---3---3

For Bb and:

b|--4---4---4---4--

g|----6---6---6---6

for C#. Well, to be honest I don t hear the C# one but if you
check out when beck plays it live, that s in there.

Anyway, that s it. Enjoy!
