

Novacane

Beck

Tabbed by Nick Key

Intro - 4x

```
-----7-----  
---5h7-7-7--7---5h7---7-7-7--  
-0-----0-----
```

Verse intro - 3x (Fig. 1)

```
-----  
-----  
-5-7--7-7-7--5-7--7-5-----  
-----  
  
-----  
-----  
-5-7--7-7-7-(pause)--//---  
-----
```

Verse - play fig. 1 until pause
Pause until second verse starts -
Then repeat above from Verse intro
At Express Mode, (if you really want to)
detune your low E-string, and then
bring it past pitch and onto pitch again.

Then:

```
-----  
-----9/7-----  
-7--10/12-7-----7--10/12-7--9-5-  
-----
```

Bridge ^The whole detuning thing
 takes place here also

```
-----  
-----  
-10----9-----  
----10---9-0---
```

Back to intro
pause for the rest of the song while
the really weird effects take over.
