 You ve been so long
 Your blind eyes are gone
 Your old bones are on their own

So take off your coat
 Put a song in your throat
 Let the dead-beats pound all around

We will go
 Nowhere we know
 F# E
 We don t have to talk at all
 Hand me downs
 Flypaper towns
 F#
 Stuck together
 E
 One and all

The bargains you drive
 Buckets and bags
 And all your belongings

Your train s in the sand
 Ramshackle land
 Let the rats watch the races

We will go
Nowhere we know
Til we find our one and all
Hand me downs
Flypaper towns
Stuck together
One and all

Praises get spent
Your trick face is bent
Pigsties and prizes

Cause there s no kind of well
You re suiting yourself
You leave yourself behind

We will go
Nowhere we know
Til we find our one and all
Your hand me downs
Flypaper towns
Stuck together
One and all
