D#--/5---5--/9-----9--/10-----10--/5-----

A C#  
open up the door

D A  
lay the orange juice on the floor

G# D A  
we re having a picnic on the ugly part of town

the sleeping bags on fire  
and its getting down to the wire  
so grab a sofa spot and settle down awhile

cause its getting hard to think  
and my clothes are starting to shrink  
and the moon is sagging down like a metal ball

and the world is a holiday  
smoking in an old ashtray  
they just blow it out their nose and say ok

so lets try to make this last  
the past is still the past  
and tomorrow is just another crazy scam

(repeat first verse)
