

**Waking Light**  
**Beck**

**C**

**C**        **Em**  
Waking light

**Bb**                **F**  
A profiling shadow

**C**        **Em**  
Waste yourself

**Bb**                **F**  
To the morning low

**Am**                **D**  
Night is gone

**F**                **C**  
Long way turning

**Bb**                        **F**                        **Am**  
You ve waited long enough to know

**Asus2**                        **C**  
When the memory leaves you

**Asus2**                                        **C**  
Somewhere you can make it home

**D**                                        **C**  
When the morning comes to meet you

(**C**)        **Bb**                        **F**  
Lay me down in waking light

**Asus2**

**C**    **Em**                        **Bb**

No one sees you here

**F** **C**  
Words are all covered

**Em** **Bb**  
Such a life to go

**F** **Am**  
How much can you show

**D**  
Day is gone

**F** **C**  
On a landslide of rhythm

**Bb** **F** **Am**  
I've seen your lamp light burning low

**Asus2** **C**  
When the memory leaves you

**Asus2** **C**  
Somewhere you can make it home

**D** **C**  
When the morning comes to meet you

(**C**) **Bb** **Am**  
Rest your eyes in waking light

**Asus2**

*Instrumental:* **C Bb F (2x)**  
**Am D F C**  
**Bb F Am**

**Asus2** **C**  
When the memory leaves you

**Asus2** **C**  
Somewhere you can make it home

**D** **C**  
When the morning comes to meet you

(**C**) **Bb** **Am**  
Fill your eyes with waking light

**Asus2**

Instrumental: **C Bb F G A**

Repeat the above chords until song ends.
