Beck - Walls

Play with muted barred chords. Note that the **F# A B** progression are just single strums.

Verse B A
Some days we get a thrill in our brains
 F# A B
Some days it turns into malaise
 A
You see your face in the veneer
 F# A B
Reflected on the surface of fear
 A
Because you know we re better than that
 F# A B
But some days we re worse than you can imagine
 A
And how am I supposed to live with that
 F# A B
With all these train wrecks coming at random

Chorus

Hey what are you gonna do **G**

A **B**

When those walls are falling down

A **F# A B**

Falling down on you

G

Hey what are you gonna do

A **B**

When those walls are falling down

A **F# A B**

Falling down on you

Verse

You got warheads stacked in the kitchen

You treat distraction like it s a religion

With a rattlesnake step in your rhythm

We do the best with the souls we ve been given

Because you know we re nothing special to them
 F# **A** **B**
We re going some place they ve already been
 A
Trying to make sense of what they call wisdom
 F# **A** **B**
And this riff raff ain t laughing with them

Chorus

G
Hey what are you gonna do.
 A **B**
When those walls are falling down
 A **F# A B**
Falling down on you

G
Hey what are you gonna do.
 A **B**
When those walls are falling down
 A **F# A B**
Falling down on you

Verse

A
You re wearing all of the years on your face
 F# **A** **B**
Turn a tombstone you roll into place

And your heart only beats in a murmur
 F# **A** **B**
But your words ring out just like murder
