Beck - Walls

Play with muted barred chords. Note that the **G Bb C** progression are just single strums.

Verse C Bb

Some days we get a thrill in our brains

 G Bb C

Some days it turns into malaise

 Bb

You see your face in the veneer

 G Bb C

Reflected on the surface of fear

 Bb

Because you know we re better than that

 G Bb C

But some days we re worse than you can imagine

 Bb

And how am I supposed to live with that

 G Bb C

With all these train wrecks coming at random

Chorus

Hey what are you gonna do **G#**

Bb **C**

When those walls are falling down

Bb **G Bb C**

Falling down on you

G#

Hey what are you gonna do

Bb **C**

When those walls are falling down

Bb **G Bb C**

Falling down on you

Verse

You got warheads stacked in the kitchen

You treat distraction like it s a religion

With a rattlesnake step in your rhythm

We do the best with the souls we ve been given

Because you know we re nothing special to them
We re going some place they ve already been
Trying to make sense of what they call wisdom
And this riff raff ain t laughing with them

Chorus

Hey what are you gonna do.
When those walls are falling down
Falling down on you

Hey what are you gonna do.
When those walls are falling down
Falling down on you

Verse

You re wearing all of the years on your face
Turn a tombstone you roll into place
And your heart only beats in a murmur
But your words ring out just like murder
