

We Live Again
Beck

capo 3rd fret(thanks funkybot)

G A F# G E A C D

G **A** **F#** **G**
these withered hands have dug for a dream
E **A** **C** **D**
sifted through sand and leftover nightmares
G **A** **F#** **G**
over the hill a desolate wind
E **A** **C** **D**
turns shit to gold and blows my soul crazy

G
the end
A
o the end
F **C**
we live again
Em **Asus** **A**
o i grow weary of the end

o hungry days the footsteps of fools
gazing alone through sex-painted windows
dredging the night drunk libertines
stink like a colognes from the newfangled wasteland

CHORUS

BRIDGE:

F **C** **E7**
love is a plague in a mix-match parade
Am **F**
where the castaways look so deranged
E **Am**
when will the children learn to let their wildernesses burn
C **Em** **Asus** **A** **A9** **A**
and love will be new never cold and vacant

these withered hands have dug for a dream
sifted through sand and leftover nightmares
