Here In This Moment Beckah Shae

Hi! I m not sure if anyone else was looking for this song, but I know I was. So I was sitting there playing along with the music and it seems pretty dead-on to me. It s VERY easy.

Just 4 chords played throughout the song.

Thanks for playing my tab, and ENJOY!

C#m E B F#

So here I am, ready to have all of you

C#m E B F#

So here I am, waiting for you

C#m E

Oh, nothing can change the way I feel when I m with you

F# C#m

You give me a peace that surpasses all understanding

E I

And no one can tell me there s a better place

F#

Than with you, you give love everlasting

C#m E B F#

Oh, here you come (come) with arms open wide (come and fill me)

C#m E B F#

Oh, cuz you are the one (you are the one) who fulfills all my desires

chorus

C#m E

You are Love, you are Life

B F#

You re the air that I breathe, you re my day and my night

C#m I

You re my Joy, you re my Peace

B F#

You re the wings for my flight and vision to my sight

C#m I

You are Truth, you are Power

B F#

Gave me faith to believe, brought me straight to my knees

C#m E B

Now I m standing here in this moment with you

Oh, there s only one who can truly satisfy me Only You can give me everything that I need And as high as the heavens are above the earth You show me your love so unconditionally

Oh, here you come (come) with arms open wide (come and fill me)
Oh, cuz you are the one (you are the one) who can fill me with this fire

chorus

C#m E B

There s nothing that I can do without ya

F# C#:

I know life only because of your love

В

I just can t breathe without ya, I m so crazy about ya

F# C#r

And I know love only because of your life

E B F#

Oh, you overwhelm me with your love

C#m E B

Oh, you overwhelm me, you overwhelm me,

F# C#m

you overwhelm me, you overwhelm

chorus
