SOL#m

I won t stop till I get to the top

RE#

I m so I m so Becky from the block

SOL#m

Always had a little, but I want a lot

RE#

No matter where I go I know where I came from.

SOL#m

I won t stop till I get to the top

RE#

I m so I m so Becky from the block

SOL#m

Always had a little, but I want a lot

RE#

No matter where I go I know where I came from.

SOL#m

Yo, first grade, Oak school elementary

RE#

A few blocks from the Englewood cemetery

SOL#m

I lived through hard times, according to my memory

RE#

Then I learned to run like I m reading up the dictionary

SOL#m

I still walk to the Kelso Market

RE#

Even though I get to walk them red carpets

SOL#m

My family lived in my grampa s garage

RE#

So I started working just to help out my pops

SOL#m

It all started when my grampa crossed over

RE#

Now one day I might be a crossover

SOL#m

Right now it s just who is that girl?

RE#

But one day Ima be all around the world

SOL#m

I still get grounded, always stay grounded

RE#

Still do chores even when I m on tour

SOL#m

One thing s for sure, Ima always be me

RE#

That wha s up? Becky, Becky G.

SOL#m

I won t stop till I get to the top

RE#

I m so I m so Becky from the block

SOL#m

Always had a little, but I want a lot

RE#

No matter where I go I know where I came from.

SOL#m

I won t stop till I get to the top

RE#

I m so I m so Becky from the block

SOL#m

Always had a little, but I want a lot

RE#

No matter where I go I know where I came from.

SOL#m

You what you know about the in and out lines

RE#

And what you know about that 4 5 drive

SOL#m

My life is changing quickly right before my eyes

RE#

It hits me everytime that I m on Hollywood divine

SOL#m

If you wanna date me, you gotta ask my Daddy

RE#
And my 30 uncles, you can meet them in an alley!
SOL#m
And one day Ima bring home a Grammy
RE#
But no matter what I ll be bringing home randies
SOL#m
Donuts, haller when you see me
RE#
I m still the same B, even when I m on TV
SOL#m
Still rocking Js with my diamonds and pearls
RE#
You can take me out the hood, but not the hood out of the girl
SOL#m
Yes I love sushi, love my calamari
RE#
But ain t no better chef than my very own mommy
SOL#m
If you can t catch me warming in my
RE#
I m with my litas praying the Rosario.
