I just put them with the lyrics.

(bar chords) [A E Bm D] for the verse [D E A] is pre-chorus and [A E D] for the chorus.

[Verse 1]

**B F# C#m E**

I m on the rocky hill  
heading up off the mountain slope  
As my steps go and go louder than before  
Another day is done say good bye to the setting sun  
See what i found turn back to the ground just like before

[Chorus]

**E F# B**

Hey Hey Hey hey beautiful day X 2  
When the night feels my song I ll be home I ll be home

[Verse 2]

**B F# C#m E**

Into the undergrowth to stand on a lonely road  
In the twilight the day turns to night and I m alone  
And when the light has left i m not sure of my every step  
follow the wind that pushes me west back to my bed

[Chorus]

**E F# B**

hey hey hey beautiful X 2  
when the night feels my song i ll be home i ll be home.
