Bedroom Eyes ~ The Skywriter

Beautiful song from the Embrace In Stereo EP

Chords

Cadd9 [x32033]
Cadd9/B [x2x033]
A7sus4 [x02x33]
G [320033]
Em7 [022033]
G/F# [2x0033]

The little variation you can hear in the intro and throughout the song on the Cadd9 and Cadd9/B chords is just lifting your little finger on and off the high E string in time

Capo 3rd fret

Intro (picked first time through, then strummed):

Cadd9 Cadd9/B A7sus4 G x2

Verse:

Cadd9

I handed him a paper

Cadd9/B

Thick white lines of vapour

A7sus4 **G**

Will get that message through

Cadd9

He climbs into his airplane

Cadd9/B

Speeds off from the start lane

A7sus4 **G**

The praise is overdue

Chorus:

Em7

Above this town from side to side

Cadd9

The letters spreads out open wide

G **G/F#**

Hope she sees the writer in the sky

Em7

But maybe it s a mindless plea

Cadd9

My place on her scale is make believe

G **G/F#**

I guess I ve always been a bit naïve

[Play intro through x1)

Verse:

The pilot makes a last spin

Heads off, disappearing

Into the blue and gray

The job for now is over

Feeling fairly sober

Although it s Saturday

Chorus:

The loneliness is such a weight

So sick of love he s paid to state

Humming Time Has Told Me by Nick Drake

Feels much too ashamed to say

Like vapour trails his heart turns gray

So afraid he too might fade away

Outro: Just repeat the chorus chords and end on Em7
