

All Time Hight
Bee Gees

C **Em** **Am**
All I wanted was a sweet distraction for an hour or two,
F **E**
had no intention to do the things we ve done.
C **Em** **Am**
Funny how it always goes with love, when you don t look, you find,
F **E**
but then we re two of a kind, we move as one.

(Chorus:)

A **D**
We re an all time high, we ll change all that s gone before,
Bm **E**
doing so much more than falling in love.
A **D**
On an all time high, we ll take on the world and win,
Bm **G**
so hold on tight, let the flight begin.

C **Em** **Am**
I don t want to waste a waking moment, I don t want to sleep,
F **E**
I m in so strong and so deep, and so are you.
C **Em** **Am**
In my time I ve said these words before but now I realise,
F **E**
my heart was telling me lies, for you they re true.

(Chorus)

Bm **G** **A**
So hold on tight, let the flight begin. We re an all time high.
