

Alone

Bee Gees

D

I was a midnight rider on a cloud of smoke,

I could make a woman hang on every single stroke,

G D

I was an iron man, I had a master plan, but I was alone.

D

I could hear you breathing with a sigh of the wind,

I remember how your body started tremblin ,

G

oh what a night it s been! And for the state I m in,

D

I m still alone.

Bm Em

And all the wonders made for the Earth ,

A Bm

And all the hearts in all creation,

D

somehow I always end up alone, (alw.e.u.al.)always end up alone.

D Bm Em

So I play, I ll wait cause you know that love takes time.

D Bm Em

We came so far, just the beat of a lonely heart.

F#m G D

And it s mine, and I don t wanna be alone.

D

Well since I got no message on your answer phone,

since you re busy every minute, I just stay at home,

G

I make believe you care, I feel you everywhere,

D

but I m still alone.

D

I m on a wheel of fortune with a twist of fate.

cause I know it isn t heaven, is it love or hate?

G

am I the subject of the pain? Am I the stranger in the rain?

D

I am alone.

Bm Em A Bm

And is there glory there to behold? Maybe it s my imagination,

Em A

another story there to be told.

D Bm Em

So I play, I ll wait and I pray it s not too late.

D Bm Em

We came so far, just the beat of a lonely heart,

F#m G D

and it s mine - and I don t wanna be alone.

(**D**)

Gone but not out of sight, I m caught in the rain and there s no one home,
face the heat of the night, the one that you love s got a heart that s made of
stone.

Shine and search for the light and sooner or later you ll be cruising on your
ocean.

And clean out of sight, I m caught in the rain and there s no one home
