

And The Sun Will Shine
Bee Gees

D7 **G** **D** **Em**
And the rain will fall,
 C **D** **G**
it falls for you.

And the clouds will
Em **Em**
break into tears,
Bm **Em**
you should be here
Bm **Em** **Am7**
standing so near to me.

D7 **Gm**
Cept I know you
 F
should be sad.
 Eb **Ab**
But give me time alone
 Eb **D7**
to get it out of my mind.

Gm
Though I say
 F **Bb**
I know it s only the weather.
 Eb **Ab**
Cause every time it rains
 Eb
you are gone.
 D7
And I m blue.

Then I wake up,
then I wake up.

G **D** **Em**
And the sun will shine
 C **D** **G**
if just for you.

Em **Em**
And the trees will talk to the skies
Bm **Em**
whispering lies,
Bm **Em** **Am7**
heaven will fly to me, yeah.

D7 **Gm**
Trains walk back
 F **Bb**
and the birds disappear.
 Eb **Ab**
But why am I still here

Eb **D7**
without you by my side?

Gm
So I cry your name
 F
and know,
 Eb **Ab** **Eb** **D7**
cause love to me is life and I live you.
Then I wake up,
then I grow up.

G **D** **Em**
And the rain will fall.
 C **D** **G**
It falls for you.

Em
And the clouds will break.
Bm **Em**
You should be here...
