

Bodyguard

Bee Gees

Intro: **Cmaj7 Bm7 D/E Am7**

G Bm7
It hurts me when you cry
G Bm7
when you feel the love is gone.
Cmaj7 Cm
Don't give up on us when you got so much to believe in.
G Em Am7
And so I beg you please stay yeah.

G Bm7
Danger in the night,
G Bm7
a flame that never dies
C
in a world of lonely faces
D Em Bm7
you need someone to survive,
C Am7
a love like yours should never live alone.

Cmaj9
Let me be your bodyguard, (I can be useful to you)
Bm7
we can just get excited,
Cmaj9
stop before we go too far.

Let me be your bodyguard, (living in my protection)
Bm7
we can just get ignited,
E Am7
lost inside
Cm
it's only you and me.

G Bm7
There's things you shouldn't do.
G Bm7
You lose your self-control.
Cmaj7
Should the eyes of a perfect stranger
Cm
take you down to a new sensation?
G Em Am7 /D
Just turn back to me.

G **Bm7**

Don't wait till it's gone.

G **Bm7**

Don't go where you don't belong.

C

In a world of pain and sorrow

D **Em** **Bm7**

every wish is your command.

C **Am7**

A heart like yours should always find a home.

Bm7 **Em**

I know the signs and I'm telling you you're living on borrowed time,

Am7

but a heart needs love like a flower needs rain,

like I'm making you mine.

Cmaj9

Let me be your bodyguard, (I can be useful to you)

Bm7

we can just get excited,

Cmaj9

stop before we go too far.

Let me be your bodyguard, (living in my protection)

Bm7

we can just get ignited.

Am7

What we had never known all our lives,

Cm

I pray it's not too late,

G **Bm7**

I would die by your side, my love,

C **Cm**

I'm the life that you save.

(**A** **C#m7** **A** **C#m7**)

D

In this world of pain and sorrow

E **F#m7** **C#m7**

every wish is your command,

Bm7 **G** **D/E**

a heart like yours should never live alone, yeah.

C#m7

I used to dream of a special one

F#m7

and now I feel it coming true,

Bm7

but I couldn't let go, I'm a jealous guy,

what you re putting me through.

Dmaj7

Let me be your bodyguard, (I can be useful to you)

C#m7

we can just get excited,

E

stop before we go too far.

Dmaj7

Let me be your bodyguard, (living in my protection)

C#m7

we can just get ignited,

F#m7

stop before we go too far

Dmaj7

Let me be your bodyguard, (I can be useful to you)

C#m7

we can just get excited,

Dmaj9

stop before we go too far
