

Bury Me Down By The River
Bee Gees

[Intro] A D A

A D A
I wasn't born in the morning, no
D E E7
I must have been born in the night
A D C#7 F#m
I've done my load and I'll carry my load
A E A E
And all I own is my life

A D A
I wasn't born to be lucky,
D E E7
cause luck had no future with me
A D C#7 F#m
I've done my wrong and I'll sing, sing, sing my song
A E A E
and stand beneath the hanging tree

A D A
Bury me down by a river
D E E7
Let all the towns people see
A D C#7 F#m
Their enemy's dead, let me lay, lay my head
A E A
Just put me down and set me free

A D A
I wasn't born as a rich man, no
D E E7
A rich man I never, I never could be
A D C#7 F#m
I've done my wrong and I'll sing, sing, sing my song
A E A
and stand beneath the hanging tree
E
Everybody sing now

A D A
Bury me down by a river

Let all the towns people see
