

Butterfly

Bee Gees

Intro: **G**

G

Green fields where we used to wonder

C

G

Purple valleys, near my home

Am

We would play there, beneath the sky

D7

G

And then I kissed you, butterfly

G

Young girl, you came restless

C

G

And you left me here to dry

Am

My big tears, in red pastures

D7

G

For I loved you, butterfly

G

Butterfly, yeah

D7

I dream about you, lonely without you, butterfly

G

Butterfly, yeah

D7

Each night I'm sleeping, your face goes creeping, butterfly

G

Green fields where we used to wonder

C

G

Purple valleys, near my home

Am

We would play there, beneath the sky

D7

G

D7

And then I kissed you, butterfly

G

Butterfly, yeah

D7

I dream about you, lonely without you, butterfly

G

Butterfly, yeah

D7

Each night I'm sleeping, your face goes creeping, butterfly
