

Closer Than Close  
Bee Gees

**Am** **Dm**  
She ll read your mind, she s smart as a whip.

**Am** **Dm**  
She ll suck you dry, but look at how much I drip.

**G** **E7/G#**  
At the point of ecstasy I write a symphony  
**Am**  
of poetry in motion, and leaving me there to die.

**Am** **Dm**  
I tell myself let no one take her place.

**Am** **Dm**  
To confide in someone and look at how much I paid.

**G** **E7/G#**  
I want you next to me, call it telepathy.  
**Am**  
We drifted into vision and look how much we see.

**F6** **Am**  
Ah, ah, ah...

**Dm** **Am**  
I just want to get closer than close to you.

**Dm** **Am**  
I know that one way or the other  
**Dm**  
any test of my faith will do.

**Em7**

And lovers fall for lovers friends.

We make each other cry,

**F**

living in each others lives

**Ab**

**C**

and trying to make the fantasy come true.

**Ab**

**Am**

**Dm**

**Am**

But I just want to get closer than close to you.

**Dm**

**Am**

**Dm**

**Am**

Baby, I just want to get closer than close to you.

**Am**

**Dm**

Your soul is naked, it tells you what it wants.

**Am**

**Dm**

I read your letter and look at how close I ve come.

**G**

**E7/G#**

There s more for us to see in this philosophy.

**Am**

We both end up in heaven and look at how close we d be.

**Dm**

**Am**

I just want to get closer than close to you.

**Dm**

**Am**

I know that one way or the other

**Dm**

any test of my faith will do.

**Em7**

I give my heart for you to break.

I give my final breath.

**F**

When nothing lasts forever see

**Ab**

**C**

what we can turn eternity into.

**Fm**

**Bbm**

**Fm**

And I just want to get closer than close to you

**Bbm**

**Fm**

to the moment you discover

**Bbm**

what the best of my love can do.

**Cm7**

And lovers fall for lovers friends.

We make each other cry,

**Db**

living in each others lives

**E**

**Fm**

and trying to make the fantasy come true.

**Fm**

**Bbm**

**Fm**

I just want to get closer than close to you.

**Bbm**

Baby, I just want to get closer than close to you....
