

Come On Over
Bee Gees

E
If my life gets like a jig saw
A **E**
with the pieces out of place,
B7
come on over,
E
put a smile back on my face.

And if all my bad days came at once
A **E**
you would know just what to do.
B7
Come on over;
E **E7**
baby, you will see me through.

A **B7**
And if you think I need you,
E **A**
come on over.
E
Bring your love around;
G#m **F#m** **B7**
you can dry away my tears.

A **B7**
And if you think I need you,
E **A**
come on over.
E
Lay your body down;
G#m **F#m**
you know I will be here.
B7
So bring your love around.

When I can not see in front of me

you would know my darkest day,

E
you can take it all away.
