

**Come On Over**  
**Bee Gees**

**E**  
If my life gets like a jig saw  
**A** **E**  
with the pieces out of place,  
**B7**  
come on over,  
**E**  
put a smile back on my face.

And if all my bad days came at once  
**A** **E**  
you would know just what to do.  
**B7**  
Come on over;  
**E** **E7**  
baby, you will see me through.

**A** **B7**  
And if you think I need you,  
**E A**  
come on over.

**E**  
Bring your love around;  
**G#m** **F#m** **B7**  
you can dry away my tears.

**A** **B7**  
And if you think I need you,  
**E A**  
come on over.

**E**  
Lay your body down;  
**G#m** **F#m**  
you know I will be here.

**B7**  
So bring your love around.  
**A E A E**

**E**  
When I can not see in front of me  
**A** **E**  
you would know my darkest day,  
**B7**  
come on over;

**E**  
you can take it all away.

**A** **B7**  
And if you think I need you,  
**E A**  
come on over.

**E**  
Bring your love around;  
**G#m F#m B7**  
you can dry away my tears.

**A** **B7**  
And if you think I need you,  
**E A**  
come on over.

**E**  
Lay your body down;  
**G#m F#m**  
you know I will be here.

**B7**  
So bring your love around.

**A E A E**

**E** **A**  
Come on over here.
