

Country Woman
Bee Gees

A **D A**
Country women now
D A
What you gonna do with your life?
D A
Country women now
D A
Why don t you get out of this life?
G D A
Leave my life alone

E **D A**
The first time I met you, I knew you were the devil s daughter
E **D A**
You came on like a river, doin all the things you oughta
E **D A**
You re a self made women, baby, not a made-to-order
E **D**
If you had your way, I know you d make me stay
E
And that would only bring me down

A **D A**
Country women now
D A
What you gonna do with your life?
D A
Country women now
D A
Why don t you get out of this life?
G D A
Leave my life alone
