Cmaj7 C

Couldn't make it to the place he'd like to be

F

In a tree trunk in the park,

Dm

he was living in the dark

G

D

G

Keeping other dogs like him for company

F

And in the evening I'd go down

Dm

to a nightclub in the town

F

G7

Cmaj7 C

Try to get some bread to make another way

F

Back to the park I'd go,

Dm

You know he's lived a thousand years day to day

Am

Well, the days get shorter

and the nights get longer

And you never learn to know

Em

If you love one another,
could you look at each other
Could it ever really show

Am

And at this moment in time
you couldn't make up your mind

F

Now could you ever understand

C F

Are you following me

C F

just like Moses to the sea

E Am G F

Do you think I'll give you freedom in the end

C F

When I'm long dead and gone

C F

will your love for me go on

E Am G F

Will I be the one you run to in the end

C Dm C F Eb
And all my dogs need a friend
