Seen you in a magazine

A picture at a party where you shouldn t have been

Hanging on the arm of someone else

I m still in love with you

Won t you come back to your little boy blue

I ve come to feel inside

This precious love was never mine

Now I know but a little too late

That I could not live without you

In the dark of the broad daylight

I promise I ll be there

When the lonely heart breaks

It s the one that forsakes

It s the dream that we stole

And I m missing you more

And the fire that will roar

There s a hole in my soul

For you it s goodbye

And for me it s to cry

For whom the bell tolls

I never knew there d be times like this
When I couldn t reach out to no one
Am I never gonna find someone

A **A/B**
That knows me like you do

Are you leaving me a helpless child
A **A/B**
When it took so long to save me
