**Bee Gees**

[Barry]

**D**  
Ooh, it is snowing,  
Outside it is snowing.  
**Bm F#m G A**  
Somewhere on 5th Avenue I used to know a friend.  
**D**  
In my bed I m lying.  
Times I am defying.  
**Bm F#m G A**  
There s no will, no remedy for all the years gone by.

[Robin]

**G D**  
Back in 1958:  
**F C**  
We used to swing on Harry s gate.  
**Cm Gm A**  
The things we did we though were great in 1958.

[Barry]

Back in 1964:  
We used to knock on Harry s door.  
And do the things we did before in 1964.

[Robin]

I hear some music  
Some old-fashioned music  
It s played so often in my head, I don t know anymore.  
In my bed I m lying.  
Age I am defying.  
I close my eyes and in my dreams I see those days again.

[Barry]

Back in 1958:  
We used to swing on Harry s gate.  
The things we did we though were great in 1958.

[Robin]

Back in 1964:  
We used to knock on Harry s door.  
And do the things we did before in 1964.

[Barry & Robin]

Back in 1965:  
The things we did were more alive.

We knew we d live throughout the drive in 1965.

Oh...oh...oh
