

Hold Her In Your Hand
Bee Gees

Intro: D

You got to walk a little slower when you re with her. G
Take the time to be tender, that s the plan. D E A
You got to stand a little taller while her world falls to pieces. D G
Only then can you hold her in your hand. A D

You got to live for every moment that she gives you. G
Make the one in a million understand. D E A
You got to stand a little taller while her world falls to pieces. D G
Only then can you hold her in your hand. A D

Refrão:

Now too many faces have come down between us. G A
And I was the fool to be. G A D
And I can t deny you the wide open spaces. G
As long as she stops loving me. E A

You got to stand a little closer when you hold her. D G
Make her feel like a woman, understand. D E A
You got to stand a little taller while her world falls to pieces. D G
Only then can you hold her in your hand. A D
