I Don?t Think It?s Funny
Bee Gees

```
G           D              G          C
You get your pleasures out of hurting me, honey
C          Am          C          D
You get your kicks out of watching me cry

G           D              G          C
You play around an awful lot to hurt me, honey
C          Am                 C          D
Why do you laugh when there are tears in my eyes?

C                   D
I don t think it s funny, honey
G           D
My skies are not so sunny
C           D          G
Why don t you make up your mind?

C           D
Let me put my arms around you
G           D
Make rainbows all around you
C           D              G
But i don t know if you are mine

G        D              G          C
If i was yours and you were mine, my little honey
C          Am          C          D
We could be happy till the very day i die

G           D          G          C
But all you ever want to do is hurt me, honey
C          Am                 C          D
Why do you laugh when there are tears in my eyes

C                   D
I don t think it s funny, honey
G           D
My skies are not so sunny
C           D          G
Why don t you make up your mind?

C                   D
Let me put my arms around you
G           D
Make rainbows all around you
C           D              G
But i don t know if you are mine
```

```
C          D          G
But i don t know if you are mine
C          D          G
But i don t know if you are mine
```
