Poured out a drink and then Birkworth approached  
**C D G D**  
Saying Have no regrets

**G C A**  
Maybe your gentle friends had some delay  
**Em C Dm C**  
Don t try and take on the world

**G D G**  
Made up my bed and decided to sleep  
**C D G D**  
Dreaming I was awake  
**G D G**  
Maybe I drank in excess of my drink  
**C D G D**  
Nice clan cordial crowd

**G C A**  
Birkworth suggested we sleep through the night  
**Em C Dm C**
