Bee Gees

D G add9 A G add9 D G add9 A G add9

D Gadd9  
Is this your voice I heard

A Gadd9  
speaking my name?

D Gadd9  
I hang on every word,

A Gadd9 D  
each letter that I write,

Gadd9 A  
every day, every night,

Gadd9 D  
but I just can't live and learn (ooh).

G add9 A G add9

D Gadd9 A Gadd9  
Talking to myself and believing I could live without you.

D Gadd9 A Gadd9  
Living on the lies and believing that love would stay.

D Gadd9 A  
Listen to me please and I'm begging on my knees before you,

Em7  
but you don't show the way,

/A A7  
no, you don't show the way.

**D** **A/C#**  
He may change your world and someday he may break your heart,

**Bm**  
and you deserve no better.

**A** **G**  
If you love him I will step aside.

**D**  
I offer this to you.

**A/C#** **Bm**  
So leave me as I love you still.

**Em7**  
And if he don t keep you warm,

**D** **Gadd9** **A**  
you know I will,

**Gadd9** **D** **Gadd9** **A** **G add9**  
you know (ooh).

**D** **Gadd9**  
So this is who you are,

**A** **Gadd9** **D** **Gadd9**  
and the rest of my life I dedicate to you.

**A** **Gadd9** **D**  
And I know that love can t wait.

**Gadd9** **A**  
There s a moon and a sun

**Gadd9** **D** **Gadd9** **A** **Gadd9**  
and a dream that sees me through (ooh).

**D** **Gadd9** **A** **Gadd9**  
A little bit of change and a little bit of my desire.

**D** **Gadd9** **A** **Gadd9**  
I was shaking all over and I didn t know what to say.

**D** **Gadd9** **A**  
I m the man in the middle and the middle man catches fire.

**Em7**

But baby, go away.

/A

Oh baby, go, baby, go away.

**A7 D**

**A/C#**

He became your hero somehow, I become your clown.

**Bm**

And you deserve no better.

**A**

**G**

If you love him, I will step aside.

**D**

I offer this to you.

**A/C#**

**Bm**

So leave me as I love you still.

**Em7**

And if he don t take your heart, if he don t take your heart,

**D**

you know I will.

**D**

**Dsus4**

It ain t wise, it ain t smart.

**D**

**Dsus4**

You say there s no doubt about it.

**D**

**Dsus4**

If you decide you got somebody else.

**D**

**Dsus4**

(when I want you to myself).

**D**

**Dsus4**

I can t stop, I can t look,

**D**

**Dsus4**

I can t say no more about it

**D** **Dsus4**  
but my love will go on

**D** **Dsus4**  
just as long as the river flows.

**D**  
Suddenly someone is crying.

**Em7**  
Who knows what tomorrow brings so.

**D** **A/C#**  
He may change your world and someday he may break your heart,

**Bm**  
and you deserve no better.

**A** **G**  
If you love him I will step aside.

And if he don t take your heart, if he don t take your heart,

you know I will (ooh)
