

I'll Kiss Your Memory
Bee Gees

Verse

E **B**
Maybe it's been so long; our house looks kind of different,
A **E**
But the empty rooms still mean the same to me.
E7 **A** **F#**
And as I wander through the darkness, I'll keep crying one last tear,
B **B7** **E A E**
Now your lips are gone, I'll kiss your memory.

E **B** **E**
I'll kiss your memory as though you were here,
B **E** **B**
I'll hold your memories till you reappear.
E **E7** **A** **F#**
And as I wander through the darkness, I'll keep crying one last tear,
B **B7** **E A E**
Now your lips are gone, I'll kiss your memory.

And I will wander through the darkness, I'll keep crying one last tear,
B **B7** **E A E**
Now your lips are gone, I'll kiss your memory.

E **B** **E**
I'll kiss your memory as though you were here,

I'll hold your memories till you reappear.

Now your lips are gone, I'll kiss your memory.
