

**Lion In Winter**  
**Bee Gees**

**G**                    **C**  
Lion in my winter.

**G**                    **D**  
I m a lion with no crown.

**G**  
You wanna make me big man,  
**C**  
a star on a screen.

**G**  
Some kind of James Brown  
**D**  
or something in between.

**G**  
But when I look for money  
**C**  
you smother me in charms.  
**G**  
I can t live on glory  
**D**  
when your bendin both my arms.

NO CHORDS

I, I was a lion in winter.  
And man I had friends  
for miles around.

**G**                    **C**  
I was a lion in my winter.

**G**  
What good s a lion Lord,  
                          **D**  
without a crown.

**G**  
You re living in a cave man,  
**C**  
upon your marble throne.  
**G**  
You think you own the heavens,  
**D**  
but you ve got to be alone.

**G**  
You know I prayed for sunshine,  
**C**

a woman with my name.

**G**

you don t want to live man,

**D**

you gave away the game.

NO CHORDS

I, I was a lion in winter.

And man I had friends

for miles around.

**G**

**C**

I was a lion in my winter.

**G**

What good s a lion Lord,

**D**

without a crown.
