

Morning of My Life

Bee Gees

G **C** **G**
In the morning, when the moon is at it s rest.

C **G**
You will find me at the time I love the best.

Am **Bm**
Watching rainbows play on the sunlight

Am **Bm**
Pools of water iced from the cold night.

Am **C** **D**
In the morning, tis the morning of my life

G **C** **G**
In the daytime, I will meet you as before.

C **G**
You will find me waiting by the ocean floor.

Am **Bm**
Building castles in the shifting sands,

Am **Bm**
In a world that no one understands.

Am **C** **D**
In the morning, tis the morning of my life.

C **G**
tis the morning of my life

G **Am**
In the morning of my life,

C **D** **G**
The minutes take so long to drift away.

G **Am**
Please be patient with your life,

C **D** **G**
It s only morning and you re still to live your day.

G **C** **G**
In the evening, I will fly you to the moon.

G **C** **G**
To the top right corner, of the ceiling in my room.

Am **Bm**
Where we will stay until the sun shines,

Am **Bm**
Another day to swing on clothes lines.

Am **C** **D**
May be yawning, tis the morning of my life

C **G**
tis the morning of my life

G

In the morning. In the morning. In the morning.
