My life has been a song Bee Gees

D G E

Sweet simple song of different light and different shades

F# Bm G E

The sound of life erupts and fades and all the world must

А

to play along

A D A

My life has been a song

D G E A

Here as I sleep, the love I dream will gently creep

F# Bm G G#m Em G#m A

Inside my heart I softly keep the tune that plays too long

A D

My life has been a song

Am7 Am Bm

Every sound in my head, every word that I said is like a melody  $\boldsymbol{c}$ 

melody

Em G D

That no litle person like me could ever change

AIII

Every sound in the street , all the cold and the heat

G

is like a simphony simphony

Em A

Wich has never before been rearranged

Repeat the verse twice and finish
