New York Mining Disaster 1941
(B. Gibb)

Verse 1:

Am
In the event of something happening to me
D
There is something I would like you all to see
G **Am/D** [xx0555]
It s just a photograph of someone that I knew

Chorus:

G **C** **G**
Have you seen my wife, Mr. Jones?
G **C** **F**
Do you know what it s like on the outside
Esus4 **E**
Don t go talking too loud, you ll cause a landslide
Am
Mr. Jones

Verse 2:

I keep straining my ears to hear a sound
Maybe someone is digging underground
Or have they given up and all gone home to bed
D **G** **F**
Thinking those who once existed must be dead

[repeat chorus]

Verse 3 [repeat verse 1; slightly different chords at end]

In the event of something happening to me
There is something I would like you all to see
G **Am/D** **D**
It s just a photograph of someone that I knew

[repeat chorus]

Coda:

Am Am/G Am/F Am/E Am/D

Mr. Jones...

OK, if you want all of these to sound exact you ll have to tune to open D (low to high: D A D F# A D) like Barry Gibb used; the chord fingerings in that tuning are:

Am x07677 **Am/D** 000677

C 575675 [or barre at 10th fret]

D 000000

E 222222 **Esus4** 222322

F 333333

G 555555
