makin it mine.

Night fever, night fever.
We know how to do it.
Gimme that night fever, night fever.
We know how to show it.

In the heat of our love,
don t need no help for us to make it.
Gimme just enough to take us to the mornin .
I got fire in my mind.
I got higher in my walkin .
And I m glowin in the dark;
I give you warnin .

And that sweet city woman,
she moves through the light,
controlling my mind and my soul.
When you reach out for me
yeah, and the feelin is bright,

then I get night fever, night fever.
We know how to do it.
Gimme that night fever, night fever.
We know how to show it.

Here I am,
prayin for this moment to last,
livin on the music so fine,
borne on the wind,
makin it mine.

Night fever, night fever.
We know how to do it.
Gimme that night fever, night fever.
We know how to show it.
