

**Please Don't Turn Out The Lights**  
**Bee Gees**

**A**                    **Bm**                    **F#m**                    **A/E**                    **D**  
Ev rytime I need reality, in jeopardy of losing all of me  
**A**                    **B**                    **D**                    **F#m**  
I just am not stronger, life don t last so long , so baby,  
**D**                    **A**  
If your turned out the light, if you turned out the light,  
**A**  
Please don t turn out the light, please don t turn out the light  
**D**                    **A**  
Turn out the lights

**A**                    **Bm**  
Baby, I don t feel too reliable  
**F#m**                    **A/E**                    **D**                    **A**                    **B**  
I can only do what I m liable, but if you want to leave me  
**D**                    **F#m**                    **D**  
Love me and just leave me, baby;  
**D**                    **A**  
If you turned out the light, if you turned out the light  
**A**  
Please don t turn out the light, please don t turn out the light  
**D**                    **A**  
Turn out the lights  
**D**                    **A**  
Turn out the lights
