 G                      Bm7   Em7                      Bm7
Watching every day go by,        living in a foolish game
                            C
Just the way I feel today
                Bm7      C/D
Living my life without you
 G                      Bm7   Em7                      Bm7
Never hear a single word,      living in a lullaby
                  C
Praying every tear I cry
                Bm7      C/D
Living my life without you
                          Am7                              D
And everywhere you go I fly (I love you with a special feeling)
                          Am7                    D
And darling  til the day I die (baby never stop believing)
      C7+                                  Bm7
I ll be reaching out, I ll be reaching out, Ah...
 C7+
Reaching out (there s a woman going through me)
                                              Bm7
I ll be reaching out (got a chance to hold you to me) Ah...

Everything is lonely and I need you
Am7              C/D
Living my life forever...
```

  Forever

  G                        Bm7
Watching every day go by
Em7                          Bm7
    Living on the one I love
                      C
What I got is not enough
                  Bm7      C/D
Living my life without you

                            Am7                    D
And I believe in yesterday (yesterday was once tomorrow)
                                    Am7                      D
With love, with love wide open every way (baby you re the light I follow)
        C7+                              Bm7
I ll be reaching out, I ll be reaching out, Ah...
