Bee Gees

**D** **Dsus4**  
Maybe you don't know me

**D** **Dsus4**  
anymore than I know you

**D**  
and I wouldn't blame you if

**Asus2**  
you walked away.

**A7**  
I been watching you all evening

with the teardrops in your eyes

**Em** **A**  
and it touches me much more

**D**  
than I can say.

**D** **Dsus4**  
You know I'd hate to think that someone

**D** **Dsus4**  
could have hurt someone like you.

**D7**  
And if I was him,

**D7sus** **G**  
I'd be right by your side.

**G** **A** **D**  
Lay your troubles on my shoulders,

**Dmaj7** **G**  
put your worries in my pocket,

**A** **D** **D7**

**A** **Asus4**  
Saw you in the corner

**A** **Asus4**  
on the moment I walked in

**A**  
saw your lonely face

**E**  
across the room.

**E**  
No, I won t forget it.

And the way it might have been.

**Bm** **E**  
Why did you have to leave

**A**  
so soon.

You know I d hate to think that someone

**A**  
could have loved you more than me.

**A7**  
And at times like this

**D        Dsus4**  
I d be right by your side.

How long must I wait

**E**  
for the last train to be here?

**D**  
And the last chance to know.

Get to think that I was born too soon.

**E**                      **Esus4**

How long, honey,

**E**

when the loving don't come?

**D**

I was there when you left me.

Just didn't know how to begin.

**D**

**E**
