Hi, This time I m back with another brilliant yet simple song for the Bee Gees, this would be my second submission, Hope the first one (Blue Island) was good enough for you guys to trust me on another one.. I know the Brothers Gibb were fond of huge complicated chords, but since I m not that slick, I ve tried to simplify them a little... hope they work

The Song is in the key of D, the strumming pattern is easy to figure out, The verse and Chorus Chords are repeated for the whole song

Chords :

-----

<b>C</b> :xx0232	<b>Am</b> :xx4432	<b>Csus2</b> : xx0230
<b>Cmaj7</b> :xx0222	<b>Am7</b> :xx4232	<b>Csus4</b> : xx0233

Intro : **C Csus4** (I make some quick unimportant **C-Csus2-Csus4** variations)

Verse :

-----

<b>C</b>	<b>G9</b>	<b>Dm</b>
Yesterday was history who knows what there is gonna be when we meet again		
<b>Cmaj7</b>		
Will you smile and tell the world about me		
<b>G</b>	<b>Dm7</b>	
Can there be no doubt about me I was your friend		

Chorus :

-----

<b>Am7</b>	<b>F</b>
As I gaze upon a sea of smiling faces	
<b>Em</b>	<b>Dm7</b>
Walk amongst the glow of moonlit places	
<b>D7</b>	<b>E7</b>
The look in your eyes, to see your smile	
<b>F</b>	<b>C</b>
Won t bring you back to me	

I remember things we planned

The world would never understand but we found a way  
And the world of love you gave to me  
Each moment is a memory, whatever they say

As I gaze upon a sea of smiling faces  
Walk amongst the glow of moonlit places  
The look in your eye, to see you smile  
Won t bring you back to me  
For the look in your eye, to see your smile  
Won t bring you back to me

Yesterday was history who knows what there is gonna be when we meet again  
Will you smile and tell the world about me  
Can there be no doubt about me I was your friend

As I gaze upon a sea of smiling faces  
Walk amongst the glow of moonlit places  
The look in your eye, to see your smile  
Won t bring you back to me  
For the look in your eye, to see your smile  
Won t bring you back to me  
For the look... (repeat lines and fade out)
