

Sun In My Morning

Bee Gees

Em **G**
When all my troubles just surround me

Em **C** **G**
And all my problems seem to grab me

D **C**
There is the thing Iâ??m thinkin of

Em **C** **G**
Sun in my morning and my sky above

Em **C** **G**
Sun in my morning and my sky above

Em **G**
Iâ??m not like you; Iâ??m not a rich man

Em **C** **G**
I work and do the best that I can

D **C**
There is the place Iâ??m thinkin of--

Em **C** **G**
Sun in my morning and my sky above

Em **C** **G**
Sun in my morning and my sky above

Em **G**
I ve got my woman there to guide me

Em **C** **G**
In all my darkness she will guide me

D **C**
She is the thing Iâ??m talkin of

Em **C** **G**
Sheâ??s my sun in my morning and my sky above

Em **C** **G**
My sun in my morning and my sky above
