

Swan Song

Bee Gees

A **Bm**
This is my swan song. Whatever I do now, I do it well.

E **A**
This is my swan song. I fell in love with you I love you well.

C#m **F#** **B7** **E**
And if the Lord provides the music for the world around to sing,
A **Bm**
My love will build a castle in the air.

A **Bm**
This is my last chance, a chance to show the world that I am strong.

E **A**
This is my last dance. I m walking off the floor where I belong.

C#m **F#** **B7** **E**
And if the Lord provides the music for the world around to sing,
A **Bm**
My love will build a castle in the air.

A **Bm**
This is my swan song. I fell in love with you , I love you well,
E **A**
I love you well, I love you well.
