Refrão:

And there will be tears,  
Tears are mixed with rain.  
Keeper of my flame.  
Time and tide is on my side,  
It stands forever.

There will be nights of love  
And, yes, there will be tears.  
I will not sleep tonight.  
There will be tears tonight.  
I will not sleep tonight.  
There will be tears.

Even through my tears,  
tears are mixed with rain.  
Keeper of my flame.  
I will pray you re on my side,  
we stand forever.  
There will be nights of love  
and, yes, there will be tears.  
I will not sleep tonight (oh oh).  
There will be tears tonight.  
I will not sleep tonight (oh).  
There will be.

it stands forever.  
There will be nights of love  
And, yes, there will be tears  
I will not sleep tonight.  
There will be tears tonight  
I will not sleep tonight.  
There will be tears...
