

Wouldn't I Be Someone  
Bee Gees

**G** **Bm** **Em**  
Maybe there s a reason why we broke up  
**C** **D**  
I could dedicate my life to something new  
**G** **Bm** **Em**  
But I must have been asleep but then I woke up  
**C** **D**  
Working out why I was still with you  
**Am** **F** **D**  
All the things I wish I could have been

**G**  
Wouldn't I be someone, someone  
**Am**  
And I would be respected  
**D** **G**  
In the prime of my life I ll do evrything right, I'll begin  
**G**  
Wouldn't I be something, something  
**Am**  
I would get a reputation  
**D** **G**  
In the prime of my life, I ll do evrything right, I'll begin

Break: **G** **D** **G** **D** **G**

**G** **Bm** **Em**  
Midnight stars are shining on my shoeshine  
**C** **D**  
Telling me the things I m gonna be  
**G** **Bm** **Em**  
Now the hurts all gone , I ve pushed them all behind me  
**C** **D**  
And the world is gonna fall in love with me  
**Am** **F** **D**  
All the things I wish I could have been
