Am
Just a bunch of lies

F **G**
Because you don t know what you are doing
Em7 **A**
You say our love isn t true
Dm **G** **C**
Well you don t know what it feels to be alone,

Go on and see how long you can survive
F

G
When you re down, down, down

So go on
C
So go on...

Go on and see how long you can survive

Without the one that makes you feel alive

When you're down, down, down

So go on (so go on)

So go oooooonnnn...

(As my memories fade)

So go on!
(like polaroids)

So go on!
(As I see you walk away)

So go on (so go on)

So go on (so go on)

So go on (so go on)

So go on (yeah)

So go on (so go on)
