## The Napkin-On-A-Plane Song Beeshop

В

Why are your eyes open wide,

G#m

when you should be dreaming?

E

Why are you awake at night,

F#

when you should be sleeping (with me)?

B G#m

Why am I trying to fight against all these feelings?

E F#

Why am I holding you tight, when I should be leaving? G = G + F + F

Why ain t I ever able to control my own heart?

В

You never do what you re supposed to

G#m

And that s what you re all about

Ε

That s why my life is now exposed...

F#

I need to figure it out, to figure it out

eeu

Anxiety only grows

G#m

And that s what freaks me out

E

I wish I could be with anyone,

F#

but you re the only one my heart lets me be with

(B G#m E F#)

G G#m F# E

Why ain t I ever able to begin from the start?

You never do what you re supposed to...

G#m E

No matter what I do

В

No matter where I am

F#

No matter who I m with

G#m

My heart just wants to be with you!

Ε

And I don t know what to do

В

I want to be set free

В

 $\ensuremath{\text{I}}$  wish  $\ensuremath{\text{I}}$  could control my heart and not fall into you

You never do what you re supposed to...

В

But you are the only one

G#m

You are the only one

E F#

You are the only one my heart lets me be with...
