Em C
Remember when I said I wish I had
G
a little paper box to keep you in,
D
so I could see you everyday and night?

But now it feels like
C G
there is nothing left inside,
D
and I know this song won t bring you back

Believe me...

When I say I d rather die

When I say I d rather not no cry
Em D
When I say please, forgive me
C D
Please, forgive me
